Consolidated Federal Program : The Big Picture - What is a Title I School?

Being a Title I, Part A school means the school receives federal funding (Title I, Part A dollars) to supplement the school's existing programs.

Title I: Improving the Academic Achievement of the Disadvantaged The purpose of this program is to provide all children a significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps. To qualify for Title IA funds, a school must have at least 35% of their population who qualify for the free and reduced lunch program. To qualify for a School Wide Program, 40% of the population must qualify for free/ and reduced lunch. These funds help our school:

- Identify students experiencing academic difficulties and provide timely assistance to help these students meet the state's most challenging content standards.
- Purchase supplemental: staff, programs, materials, and supplies.
- Conduct parent and family engagement meetings, training and activities.

Title I sponsored educational funds may support:

- Math and/or literacy interventionists
- Literacy, math or social-emotional learning professional development
- Family engagement
- Support for students experiencing homelessness

Title IIA: Supporting Effective Instruction The purpose of this program is to :

- Increase student achievement consistent with the challenging state academic standards
- Improve the quality and effectiveness of teachers, principals and other school leaders
- Increase the number of teachers, principals, and other school leaders who are effective in improving student academic achievement
- Provide low-income and minority students greater access to effective teachers, principals and other school leaders.

Title IVA: Student Support and Academic Enrichment

The purpose of this program is to improve students' academic achievement by increasing the capacity of schools and local communities to:

- provide all students with access to a well-rounded education
- improve school conditions for student learning
- improve the use of technology in order to improve the academic achievement and digital literacy of all students.
